

District Offered Programs

BUS TRANSPORTATION

Students who reside within the district boundaries and live within a school’s transportation zone may be bused to school. Students attending Estrella Foothills and Vista del Sur may utilize bus transportation from any of the Laveen schools. www.laveenschools.org/transportation

CHILD NUTRITION

Proper nutrition is important for growing bodies and growing minds. As part of the National School Lunch program, students are guaranteed a healthful breakfast and lunch that are rich in whole grains, fruits, and vegetables. Breakfast is provided at no charge before school to all students. Lunch is \$2.60. Families may qualify for free or reduced-price lunch.

PRESCHOOL

Preschool is available for students age three to five years old at select sites. Certified teachers teach the academics –based program to prepare children for kindergarten. Preschool programs are designed to provide developmentally appropriate social, educational, and physical experiences that enhance the child as a whole. Preschool is tuition-based.

FULL DAY KINDERGARTEN

Students who are five years old by August 31 of each year may enroll in Full Day Kindergarten. Children who reach age five by December 31 may be tested and accepted based on level of readiness. There is no fee to attend. www.laveenschools.org/kindergarten

BEFORE/ AFTER SCHOOL PROGRAMS

Kids Club offers carefully planned, well-supervised activities for children in Grades K-6. Activities are designed to not only interest your child, but also foster his/her emotional well-being and social, physical, and critical thinking skills. Activities include games, sports, hands-on science, arts and crafts, and music. Time is set aside for homework assistance and snacks are provided. Kids Club is licensed by the Arizona Department of Health Services. Camps during school breaks are also available.

GIFTED EDUCATION

Laveen’s gifted education program provides services for students with superior intellect or advanced learning ability who require differentiated educational programs and/or services beyond those normally provided by the regular school program to achieve at levels commensurate with the child’s intellect and ability. Because not all gifted students are alike, program modifications for gifted students are sufficiently varied and flexible so as to provide challenging learning experiences and appropriate resources. www.laveenschools.org/gifted-education

SPECIAL EDUCATION

Special education is available for students found to be eligible for and in need of special education services. The school provides Special Education according to an individualized education program (IEP) which provides a free and appropriate public education. Screening for preschool aged children is available on scheduled dates throughout the year. www.laveenschools.org/student-services

Maurice C. Cash School Career Pathways

5000 S. Sandomir Way | 602-237-9120
<http://mccash.laveenschools.org>

About our Program

M.C. Cash School strives to prepare each student for a successful career through their Career PATHways program. At M.C. Cash School, students will become familiar with careers through learning that connects classroom instruction to future work. Career awareness strategies expose students to a variety of career fields to stimulate interest in future work.

Throughout all grade levels, students will learn skills that are vital for success in any career path and make connections to colleges and trade schools through guest speakers and campus tours. In 5th and 6th grade, students will understand entrepreneurship through Junior Achievement’s BizTown and further explore careers and aptitudes. Through the MC Cash/ ABEC (Arizona Business Education Coalition) Middle School Career Exploration Project, middle school students will understand how their passions translate into future career goals, research and evaluate career options and set goals to achieve career aspirations through education and career action plans.

Core Curriculum

MATH

Arizona’s Mathematics Standards require students to demonstrate a deep understanding of math and develop strong critical thinking skills. Laveen’s adopted mathematics curriculum includes McGraw-Hill’s My Math for Grades K-5 and Glencoe Mathematics for Grades 6-8. These programs are aligned to Arizona’s standards and are available in both traditional and digital formats. Advanced coursework including high school level algebra is offered at all schools.

ENGLISH LANGUAGE ARTS

Arizona’s English Language Arts standards call for an integrated approach to teaching reading, writing, language, speaking and listening. Laveen strives to promote literacy across all of the content areas, exposing students to a rich balance of fiction and nonfiction texts. Students read selections from a wide range of text types and integrate research, writing and media skills through technology. Laveen’s ELA curriculum includes Savvas ReadyGen for Grades K-5 and McGraw-Hill’s StudySync for Grades 6-8. Both programs feature traditional and digital learning platforms.

SCIENCE

Discovery Education Science connects students to their inner curiosity by placing them at the center of each three-dimensional learning experience. The curriculum engages students in authentic investigations to uncover the mysteries of the universe. Hands-on and virtual investigations, STEM activities, and a variety of science resources are provided to support all levels of learners. Science Techbook and Middle School Science meets both Arizona’s science standards as well as the Next Generation Science Standards. These programs feature traditional and digital learning platforms.

SOCIAL STUDIES

The Arizona History and Social Science standards build across grade levels in a progression of knowing and applying concepts aligned to history, government, geography, and economics. To support this progression, Teacher’s Curriculum Institute (TCI) social studies is provided in 6th-8th grades and integrates proven teaching strategies, engaging content, and meaningful technology. Students in Grades 1-4 use McGraw-Hill’s Impact Social Studies and 5th graders use McGraw-Hill’s Discovering our Past: United Studies, Arizona Edition. These programs provide rigorous learning experiences to help them understand the world around them. These programs feature traditional and digital learning platforms.

CHARACTER EDUCATION

M.C. Cash is a PBIS (Positive Behavior Interventions and Supports) school. Roadrunners are on the **PATH** to College and Career by:
Persevering
Accepting and Respecting Others
Taking Ownership
Having Good Character

STUDENT INVOLVEMENT

In addition to the academic experience our students receive, there are also several opportunities to participate in extracurricular activities. National Junior Honor Society, Student Council, chorus, art club, and intramural sports are among just a few opportunities in which our students can participate.

PARENT INVOLVEMENT

M.C. Cash values home/school communication as it plays an integral role in each student’s success. We are always available to discuss school issues with our families. By working together and respecting each other in our words and actions, we create a positive atmosphere for our students to learn and grow.

TECHNOLOGY

Thanks to the support of Laveen’s community, the district has a 1:1 student-to-computer ratio providing each student with a device that they can use daily. The devices complement the district’s core curriculum, which all have digital platforms, allowing students access to instructional materials and resources online. Arizona's academic standards require students to use technology to research, collaborate, and demonstrate their learning. All students have user accounts which can be accessed from both school and at home to share documents and projects with other students and the teacher.

“Our mission is to ensure that all M.C. Cash students have the opportunity to explore and prepare for a variety of career paths.”
-Nicole Goodwin, Principal

REGISTRATION

Families may enroll in M.C. Cash regardless of where they reside, space permitting.

Families may enroll their children using our secure online portal or by downloading and completing a paper registration packet available at www.LaveenSchools.org/registration or in the school’s front office.
