Parent Newsletter of M.C. Cash Elementary School • April, 2022

Dear parents,

We have had a fantastic start to our 4th and final quarter of the 2021-2022 school year. We appreciate everything that you do as parents each day to support your student's success at school. Students and teachers have been working hard to prepare for our state assessments, AASA, which begin this week. While testing can seem like a stressful time, this is an opportunity for our Cash students to shine. We are confident that our Roadrunners are prepared and ready to show all of the amazing things they have learned this year.

AASA testing dates:

<i>Week of April 4th</i>	Thursday, April 7	AASA Writing (3 rd - 8 th grades)
<i>Week of April 11th</i>	Monday, April 11 Wednesday, April 13 Thursday, April 14	AzSCI (5 th & 8 th grades) AASA: Oral Reading Fluency (3 rd grade) AASA: Oral Reading Fluency (3 rd grade)
<i>Week of April 18th</i>	Monday, April 18 Tuesday, April 19 Thursday, April 21 Friday, April 22	AASA ELA Part 1 (3 rd - 8 th grades) AASA ELA Part 2 (3 rd - 8 th grades) AASA Math Part 1 (3 rd - 8 th grades) AASA Math Part 2 (3 rd - 8 th grades)

Parents, you can help ease any stress or test anxiety your students may be having by keeping the following in mind:

- Make sure your student gets a good night's sleep.
- Encourage your student to eat a good breakfast. It is hard to focus on an empty stomach. Students can eat breakfast for no cost at school between 7:00-7:20.
- Make sure your student comes to school each testing day, **on time**. Students will always test better with their teacher.
- Schedule appointments for after school. Students who are released from school early will not be able to complete their test at a later date.

- Send your student to school with a positive attitude. Encourage them to try their best and let them know how amazing they are. They have worked hard all year and are ready to show what they know.
