GENERAL INFORMATION

LAVEEN ELEMENTARY SCHOOL DISTRICT

Our Mission

Ensure the future success of every student through the use of best practices and innovative strategies.

Our Vision

A leader in delivering exceptional educational experiences to all students.

ATTENDANCE GUIDELINES

Regular school attendance is vital for a child to be successful. A child who is not in school cannot learn. For this reason, it is important that all parents make a commitment to ensure their child is at school and on time. Students absent from school on any given day are ineligible to participate in any extracurricular activities scheduled that day or evening (including dances, concerts, etc.).

All student absences must be reported. Please notify the school attendance office each day your child is absent. Parents will be notified through the School Messenger automated service when an absence has not been reported. Parents need to notify the school office immediately of any change of phone number(s).

1. If contact is not made by telephone, a written excuse signed by a parent, guardian, or doctor must be sent to school on the day following the absence. All absences not verified by parental or administrative authorization will remain unexcused.
2. Students will be withdrawn from school upon reaching their tenth consecutive day of unexcused absences.
3. Absences from school are generally “excused” by school administration when the student is absent due to personal illness, personal injury, or family tragedy (see #6 below). Please make every effort to adjust family schedules and medical appointments to avoid missing school.
4. The definition of “truant” is an unexcused absence (as per school administration) for at least one class period during the day (as per HB2218, Chapter 141). Truancy may result in the student being assigned to lunch detention or to in-school detention.
5. The definition of “habitually truant” means a child who is truant for at least five days within a school year (as per HB2218, Chapter 141). Students who are habitually truant will be subject to disciplinary action and will be referred to local law enforcement officials.
6. The definition of “excessive absences” means a child who is absent 18 days or more throughout the school year regardless of the reason. In addition, students who have excessive absences may be retained.

7. Students will be marked for a half-day or full day absence according to the guidelines below.
8. For a student to earn 'perfect attendance' they must be in attendance every day during regular school hours. (This includes no tardies or leaving school before the end of the scheduled day.)

Kindergarten Students:

- *Counting for full day attendance on a regular day* – 3 hours 28 minutes of instructional time.
- *Counting for full day attendance on a half-day release* – 1 hour 58 minutes of instructional time.

1st-8th Grade Students:

- *Counting for full day attendance on a regular day* – 5 hours 15 minutes of instructional time.
- *Counting for half-day attendance on regular day* – 3 hours 30 minutes and up to 5 hours 14 minutes of instructional time.
- *Counting for full day attendance on a half-day release* – 3 hours of instructional time.
- *Counting for half-day attendance on a half-day release* – 2 hours and up to 2 hours 59 minutes of instructional time.

Checking Students Out for Early Dismissal

To ensure the safety of our children, parents wishing to check their children out of school early must do so through the front office. Proper ID must be provided. Parents are not to pick up their children at their classroom, as teachers have been instructed to release students only through the front office. If students are checked out before the end of the school day, the absence will be recorded the same as a tardy. Tardies and early releases are part of the school day and are subject to the state law on compulsory attendance. The law requires elementary age students to attend school. (A.R.S. § 15-803) Early release requests within the last 30 minutes of the school day will be denied as this creates congestion in the pick-up area and disrupts the end of the day routines and procedures.

Closed Campus

Campuses of all schools in the Laveen School District are considered to be closed campuses; that is, a student may not leave the school grounds during the hours school is in session, and all visitors must check in through the front office. This includes before school and lunch hours. (Review the “Visitors to Campus” section of this handbook for more details.) Once students arrive on campus, students cannot leave until they are dismissed at the end of the day unless:

- A parent/guardian picks up a student and formally signs him/her out through the office. Proper ID must be provided.
- The health assistant determines that a student is too ill to remain at school. In these cases, the parent/guardian will be contacted and the student should be picked up and signed out through the office.

Tardies

All students are expected to be on time for classes and prepared with necessary materials. A tardy student with a legitimate excuse must present a parent/guardian-authored note to the office to verify the excuse. Repeated tardies will result in disciplinary action, including but not limited to detentions, ISD, or OSS.

Students Enrolled Less Than Twenty Days

It is the practice of the Laveen Elementary School District faculty and administration to report grades for students who have completed a minimum of twenty days in class. There is insufficient information about pupils who have attended less than four full weeks of class to merit a grade. Teacher(s) will be able to provide information to parents/guardians as to the general efforts made by a child in attendance less than the required twenty days.

BICYCLES, ROLLER BLADES, & SKATEBOARDS

Bicycles will be the sole responsibility of the students riding them. The school will not be responsible for stolen or damaged bicycles. Bicycles are to be walked on school property, parked in the designated bike rack, and secured with a lock. Two-wheel scooters are permitted but must be locked at the bike rack and not are permitted to be carried into buildings or stored in classrooms. Skateboards, roller-skates, Heelys, and roller blades are not allowed on school grounds at any time.

BUSES

Students eligible for transportation receive permission to travel to and from school by bus when prior arrangements have been made between parents and the school. Route and stop information will be added to the student's ID, which must be displayed upon boarding the bus or at any time it is requested. Parents must obtain prior permission from the administration for students not previously assigned to ride a bus, or a particular bus (i.e., to travel with a school friend). Students are required to ride their assigned bus. If a student needs to ride another bus due to an emergency, parents must write a note to take to the school office. The school will then complete the appropriate form that allows the student to board the bus. Notes to the driver are unacceptable. **All students must have their ID, with transportation designation, or a proper temporary bus pass to board in the afternoon. Student ID is required to board a bus for field trips or extracurricular activities.**

Surveillance cameras may be utilized on the school buses. Video and/or audio surveillance are used by the district primarily for aiding student discipline on the buses.

The District's transportation department participates in Positive Behavioral Interventions and Supports (PBIS). The bus expectations are as follows:

Be Safe

- Stay on curb when bus is approaching
- Stay seated while bus is in motion
- Keep hands, feet, and objects to yourself

Be Respectful

- Listen to follow bus driver/associate expectations
- Speak in quiet, inside voices
- Control temper in conflict situations

Be Accountable

- Arrive on time with Student ID/Bus Pass
- Use electronics appropriately
- Be alert and watch for your stop on the way home

The transportation department reinforces these positive behaviors through the distribution of "tickets". These tickets are used in conjunction with each school's PBIS program.

Bus Rules

Students being transported are under the authority of the school principal and the bus driver and they shall enforce established and appropriate standards of classroom behavior and dress while riding a bus. Students shall also observe the following specific standards:

1. Be at the bus stop **five minutes** before your scheduled pick-up time.
2. Stand a minimum of three giant steps back from the curb when the bus is approaching. Form a line, no crowding or pushing. Never approach the bus until the bus is completely stopped and the driver signals you to board.
3. Use all of the steps of the bus and maintain contact with the handrail(s).
4. ID/Bus Pass must be scanned on and off the bus. Present ID/Bus Pass upon request.
5. Always remain seated while the bus is in motion and you arrive at your scheduled stop. Sit in assigned seat and keep aisles clear.
6. Keep entire body inside of bus. Placing your head and/or limbs outside may result in serious injury.
7. Be courteous and talk quietly. Vulgar or abusive language, teasing or bullying other passengers will not be tolerated.
8. Never throw anything from, in or at the bus.
9. Water bottles are allowed; however, you may not have soda, food, candy or gum.
10. The appropriate use of electronic devices on board is at the discretion of the driver.
11. No glass objects, animals (unless approved for assistance), insects or balloons are allowed on regular routes. Authorized sports/musical equipment must be able to be secured and may not take a seat needed for a passenger.
12. When exiting the bus, always follow the 10/10 rule: Take 10 giant steps away from the bus and always cross 10 feet in front of the bus – never cross behind it.

In the event there is an emergency, follow the driver's instructions and all emergency procedures.

Denial of School Bus Service

Bus riding is a privilege - not a right. Inappropriate conduct at bus stops, on buses, or in the process of boarding or disembarking from a bus may result in the denial of bus riding privileges. Transportation suspensions are progressive. Students are afforded due process/appeals of disciplinary action. If an infraction is deemed serious enough by the school administrator, the student may be denied bus-riding privileges from all buses for an entire school year. Bus suspensions that occur at the end of the school year may carry over into the next school year.

Possessing weapons, tobacco, vaping products, alcohol, or drugs on a school bus will be grounds for immediate disciplinary action up to and including suspension or expulsion.

CAFETERIA

The Laveen Elementary School District offers an excellent breakfast and lunch program. The meals we provide are nutritionally balanced, appetizing, visually appealing, and offer a variety of choices. Breakfast is served for free to all enrolled students daily, beginning 30 minutes before the start of school. The breakfast and lunch programs receive federal reimbursement to assist families and students. We wholeheartedly support the USDA school meal initiatives that underscore our national health responsibilities to assist in preventing America's high rates of heart disease, diabetes, obesity, and some forms of cancer through good nutrition.

Meal Consumption

Program regulations clearly intend that meals served under the School Meal Programs are to be served and consumed on school or school-related premises. It is not permissible to allow children to take food away from the cafeteria to eat at a later time.

The National School Lunch and Breakfast Program is intended to feed children. Parents are not allowed to eat off of their child's plate when visiting during meal service. Adults desiring a meal are required to purchase one. Also, children who are not enrolled at the school may not eat off the enrolled student's plate. Children who are not enrolled at the school who desire a meal are required to purchase one.

New for the 2024-2025 school year. The Laveen Elementary School District will be participating in the USDA Community Eligibility Provision (CEP) and all meals will be provided at no cost to all students. Parents do not need to complete an application to qualify for free or reduced-price meals. We invite all students to participate in our meal programs.

Student IDs in the Cafeteria

All students will be issued a school ID badge, badge holder, and lanyard at the beginning of the school year. Students need this ID to obtain breakfast and lunch in the cafeteria. If a student does not have his/her ID, a pass will be given to obtain breakfast and lunch; however, repeated need for a pass may result in disciplinary action. Replacement IDs, badge holders, and lanyards are available in the front office for a nominal fee.

QUESTIONS AND ANSWERS ABOUT OUR MEAL PROGRAM

How can I pay for my child's lunch?

Student's balances and their transaction history are available by creating an account at www.EZSchoolPay.com or contact the Cafeteria Manager at your child's school to request a copy of their meal history and account balance.

How do I know what the balance is on my child's lunch account?

Sign up for low balance alerts at www.EZSchoolPay.com or contact the Cafeteria Manager at your child's school to request a copy of your child's meal history and account balance. Additionally, when your child's account balance drops to the equivalent of two lunches remaining, the cafeteria manager will provide a verbal reminder to the student. We allow students who forget to bring lunch money two charges; thereafter students will be provided a meal that consists of a cheese sandwich, fruits and vegetables, and white milk. This meal still meets all USDA meal requirements. Students will never be denied nourishment due to lack of lunch money. Cafeteria Managers will send letters home to parents when accounts become negative.

How can I apply for free or reduced-price meals for my child?

Applications for free or reduced-price meals will not be available, as all students will receive school meals at no charge as part of our district participating in the Community Eligibility Provision. Families will be asked to complete an Alternate Income Form as part of the registration process to collect data needed for other federal programs, such as Title 1.

My child requires a special diet, how can you help?

We have a number of resources to meet special dietary needs. To properly meet the individual needs of your child, we need written instructions from a recognized medical authority with specific details from which we will build your child's breakfast and lunch choices. Contact the school nurse to initiate this process. If your child's special diet request is related to religious or other non-medical preferences, please contact your cafeteria manager to discuss how we can tailor daily choices for your child or visit laveen.nutrislice.com for more information on our menu. The Laveen Elementary School District recognizes that food allergies are a growing public health and food safety concern. We have experienced an increase in the number of students with food allergies, particularly allergies to peanuts. Some of our students experience life-threatening reactions when exposed to peanuts. To help reduce the chance of a life-threatening exposure while at school, the district removed peanut butter and peanut products from the cafeteria, and we ask parents to find substitutes for peanuts and peanut butter when providing snacks or packing their child(ren)'s lunch to be eaten at school.

My child comes home from school hungry; I don't think he is getting enough to eat at lunch. What can be done?

Our lunch program meets nationally recognized nutritional requirements for the various age groups of students; however, we recognize that during growing spurts, 'daily average caloric intake' may not be sufficient. To meet the needs of your growing child, please encourage your child to take all items offered and to visit our unlimited fruit and vegetable bar offered daily at lunch.

Can I bring cookies or other treats to class for my child's birthday party? Yes, you can bring commercially prepared food items to class for parties and other special occasions. Due to county and state health requirements, homemade baked goods cannot be brought to school. In the best interest of your child, and those of other children in the class, healthy treats like fruit, yogurt, and whole-grain baked goods are encouraged and can be fun treats for all ages of children. Work with your child's teacher when planning these types of events.

How can I get a menu?

Menus are printed and distributed monthly at each school site. Online menus are also available at laveen.nutrislice.com. This interactive website allows you to view images and descriptions of our menu items, review nutrition information, filter menu items by allergens, view carbohydrate counts and provide feedback. You can also download the mobile app on your Android or iPhone.

Can I eat with my child?

Parents are encouraged to have lunch or breakfast with their child on an occasional basis. If interested, please visit www.laveeneld.org for adult meal prices.

Can I send a sack lunch to school with my child?

Sack lunches are permitted, but foods and beverages brought from home may only be consumed by the child bringing such items and not shared with other students. Due to federal and state regulations, homemade baked goods, soda, and outside food service items (i.e. McDonald's, Taco Bell, etc.) cannot be distributed or shared with other students.

DIRECTORY INFORMATION

The District designates the following personally identifiable information contained in a student's education records as "directory information" and may disclose that information without prior written consent [20 U.S.C. 1232g(a)(5)(A)]:

- A. The student's name
- B. The student's address
- C. The student's telephone listing
- D. The student's date of birth
- E. The student's grade level
- F. The student's dates of attendance
- G. The student's most recently attended educational agency or institution

Following this notification, parents have two (2) weeks to advise the District in writing of any or all of the items they refuse to permit the District to designate as directory information about their student.

DISTRICT ATTENDANCE BOUNDARY

To provide families with more flexibility and choice of schools, the Laveen School District has a single shared attendance boundary, the district boundary, to serve all ten schools. Subject to space availability, residents of our district may enroll their child in any Laveen school of their choosing without having to go through the open-enrollment process.

*Paseo Pointe School and Vista del Sur Accelerated Academy have additional enrollment requirements.

Families wishing to transfer their already enrolled child(ren) to a different Laveen school will need to complete a transfer request. Enrollment at a different school is subject to space availability.

Per Policy JFB, placement is based on the following priorities:

1. District resident students, including those issued certificates of educational convenience and those required to be admitted by statute.
2. Students returning to the same school from the prior year.
3. Siblings of students already enrolled.
4. Students who are children of district employees

Bus transportation will be offered to students living within a school's transportation zone.

General zones can be found on our district website,

<https://www.laveenschools.org/programs-services/transportation/>.

Visit www.laveeneld.org/open-boundaries for more information.

**Vista del Sur has its own enrollment schedule. It is an accelerated school and students must take an assessment prior to enrolling. Paseo Pointe is a dual language immersion (DLI) school. Incoming kindergarten, first, second, and third grade students must qualify for and enroll in the DLI program.*

DRUG FREE SCHOOL ZONE

The mission of the Drug Free School Zone is to guarantee a safe environment on and around the school campus. This will be accomplished through enhanced enforcement and prosecution of drug, weapon, and other criminal laws as well as through the use of drug and gang awareness programs. In cooperation with local law enforcement, school districts, prosecutors, parents, and the community-at-large, our children and their teachers will be afforded the fundamental right to a safe educational environment. Arizona law A.R.S. §13-3411 provides for stiffer penalties for those caught selling, using, or possessing drugs within 1,000 feet of a school campus. Law enforcement authorities will be notified in any situation where a person is suspected of violating A.R.S. §13-3411.

ENGLISH LEARNER PROGRAM

The Laveen School District recognizes the linguistic and cultural diversity of all students and offers programs designed to meet the needs of students acquiring English. English Language Development (ELD) is available for each student who is qualified as an English Learner (EL). A standardized English proficiency assessment is used to determine English proficiency (ARS §15-755), and is administered annually to ensure educational progress (ARS §15-756.05). A student classified as EL shall be offered instructional support with the goal of achieving English proficiency and ultimately meet or exceed grade-level academic standards in a timely manner. ELD instruction is guided by the English Language Proficiency Standards (ELPS) using a Structured English Immersion (SEI) model or a Dual Language Immersion model.

For more information about the English Learner Program or to inquire about testing your child for English proficiency, please contact the Federal Programs Coordinator at 602-237-9100, ext. 3051.

EMERGENCY EVACUATION, LOCKDOWN AND FIRE DRILL

The Laveen School District has made many preparations to deal effectively and realistically with emergency situations that could occur in or around your child's school. While we hope that a serious incident never occurs, our goal is to be prepared for any potential emergency. Each school has a safety committee that reviews policies and procedures to enhance the safety and security of their campus. Best practices in safety and security are often reviewed and implemented across the district. At a minimum, fire drills are conducted monthly and lockdown drills are conducted four times per year. Please visit our School Safety page under the Parents tab of the district website for important safety information for parents:

www.laveenschools.org/school-safety

EXTRACURRICULAR ACTIVITIES

Activities will be established and designed to offer students worthwhile athletic and leisure-time interests, wholesome recreational and social activity, and an opportunity to develop skills in a democratic and cooperative management for these activities.

The student must attend school the day of the athletic competition/extracurricular activity and be in attendance at the end of the school day. If the event is held on a weekend, the student must attend school the Friday before the event. If the student needs to be absent for part of the day for an appointment, they must have a note from the doctor/dentist to be able to participate in the after school sports competition/activity.

Students who, upon having their work checked on a cumulative basis show that they have one or more failing grades will be suspended from any athletic teams or extracurricular activities. After improving their respective grades, they may be reinstated to the team or activity.

If a student receives detention or is suspended (in-school or out-of-school) for any reason, she/he will not be able to participate in any after school activity for the day(s) of consequence. This includes athletic practice, competitions, academic and non-academic after school activities. This includes traveling with the team/group to an event, even if only as a spectator. With the exception of after school tutoring, repeated suspensions will result in a student's removal from the team/club for the remainder of the season (sports) or grading period (club). Suspensions for weapons and narcotics or fighting will result in immediate removal of the student from the team/club for the remainder of the season (sports) or grading period (club).

Club sizes are limited. Students not enrolled in the afterschool club may not remain with siblings during the club. Administration has the discretion to make adjustments to the policy depending on individual situations.

Criteria For Student Participation In After School Sports

Students and their parents who participate in sports activities are required to participate in an educational program about issues related to concussions. This program will not only educate, but also explain the guidelines that Laveen follows regarding concussions. Being a student athlete requires great responsibility to maintain good academic standing. Grades will be checked at the start of the season. They will be checked throughout the season on a bi-weekly basis.

An athlete becomes *academically ineligible* if he/she has one or more D in any academic or elective class. This means that all athletes carry a minimum grade of C in all classes. Athletes have until the next grade check to bring grades up to good academic status. During a period of *academic ineligibility*, athletes may practice, but they may not participate in any athletic contest during the two-week suspension. Academically and behaviorally ineligible students may not travel with the team or attend games, even as a spectator.

If athletes do not bring their grades up during the two-week suspension, the athlete will be placed on academic alert for one week. During academic alert, athletes are expected to attend, but may not practice or participate in athletic contests. At the end of the third week, if the athlete is not able to bring up his/her grades, he/she will be removed from the team. Athletic seasons go by very quickly and if an athlete is suspended for two weeks, a lot of games could be missed. Participants are a student first and an athlete second.

EXTRACURRICULAR ACTIVITY ATTENDANCE

Students attending as spectators after school sporting events must attend with an adult. Students without an adult will be denied entry.

Students attending all afterschool events must be dressed in adherence to school dress code.

Students who are not in dress code will be denied entry.

Students wishing to attend after school events must have been present in school the day of the event in order to attend. All campus guidelines apply to students attending after school activities. Failure to comply with campus guidelines will result in disciplinary action.

Administration may revoke a student's ability to participate in afterschool events and activities.

EXTRACURRICULAR EVENT CODE OF CONDUCT

Afterschool events are planned and organized by the school. Events are intended for students only. All school rules apply to extra curricular events including the cell phone policy.

Our responsibility for each student is taken very seriously. We want activities to be fun in a safe and comfortable environment. With this in mind, it is important that all students know and follow the guidelines below.

1. Students should arrive at the activity no later than 1/2 hour after the event starts. Students arriving later will be denied entry.
2. While at the event, students need to stay in the designated locations only.
3. **Students may not leave the event until they are picked up by a parent or the end of the event time listed on the permission slip.**
4. Students who are not pick-up on time from after school activities or events may be denied participation in future events.
5. Students who do not have a signed permission slip will be denied entry.

GIFTED EDUCATION

Gifted education is available for each student who is qualified as a gifted pupil. According to Arizona statute: "Gifted education" means appropriate academic course offerings and services that are required to provide an educational program that is an integral part of the regular school day and that is commensurate with the academic abilities and potential of a gifted pupil.

A "gifted pupil" means a child who is of lawful school age, who due to superior intellect or advanced learning ability, or both, is not afforded an opportunity for otherwise attainable progress and development in regular classroom instruction and who needs appropriate gifted education services, to achieve at levels commensurate with the child's intellect and ability. For more information about gifted services or to inquire about testing your child for gifted services, please contact the school office.

GRADES

The Laveen School District is committed to helping students reach proficiency and beyond on Arizona's rigorous academic standards. Therefore, we are utilizing a standards-based grading system which allows us to better communicate with parents on the progress students are making toward mastering the content standards.

Report cards will be distributed quarterly, and will include both an academic grade and an effort grade for each subject. The academic grade is intended to report a progress score aligned to mastering the taught standard. The effort grade will reflect the student's applied effort toward that academic grade through such things as participation, homework completion, and behavior.

Students must be enrolled a minimum of twenty (20) days to receive a grade.

Parent/Teacher Conferences

Conferences are held at least twice per year and provide an opportunity for parents and teachers to dialogue about the progress students are making toward mastering the academic standards. Please see the school calendar located in this handbook for specific dates. Parents may request to schedule a conference whenever they feel it is necessary to talk with a teacher.

ParentVUE

Student grades will be posted on ParentVUE. Please ask your child's teacher for an activation key. To access ParentVUE, go to the district's website at www.laveeneld.org and click on ParentVUE under the Parent tab.

HAZING

"Hazing" means any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, and in which both of the following apply:

- The act was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in any school club or sport.
- The act contributes to a substantial risk of potential physical injury, mental harm or degradation.

There shall be no hazing, solicitation to engage in hazing, or aiding and abetting another who is engaged in hazing. (See EXHIBIT JICFA-EB in the back of this handbook.)

HEALTH SERVICES

Address/Telephone Number Change

For the protection of our students, a current Health History form should be filled out annually. Parents should notify the school office immediately when there is a change of address, home or parent work telephone number, or a change in the emergency contact phone number. Please have plans for picking up a child who becomes sick during the school day.

Medication

Under certain circumstances, when it is necessary for a student to take medicine during school hours, the district will cooperate with the family physician and the parents if the following requirements are met:

- There must be a written order from the physician stating the name of the student, the name of the medicine, and dosage instructions.
- There must be written permission from the parent to allow the school to administer the medication. Appropriate forms are available online and can be obtained from the school health office.
- The medication must come to the school health office in the original prescription container with the student's name, name of the medicine, and dosage instructions.
- A parent or designated adult must transport the medication; students are not allowed to carry/transport medication. Exceptions may be made for students who have been diagnosed with anaphylaxis, breathing disorders, and diabetes. In these exceptional circumstances, arrangements must be made in advance with the district nurse.

Feminine Hygiene Products

Feminine hygiene products are readily available for students in each health office.

Please be advised the health office does not provide Tylenol, Ibuprofen, or over the counter drugs. If your child needs these medications, a parent/guardian must provide a new unopened package for each individual student, and must fill out the proper paperwork for dispensing it. Without proper documentation, it will not be dispensed.

Immunizations

Children must have proof of ALL required immunizations, or a valid exemption, in order to attend the first day of school. Arizona law allows exemptions for medical reasons, laboratory evidence of immunity, and personal beliefs. Exemption forms are available from schools and at <http://www.azdhs.gov>. Homeless students are allowed a 5-day grace period. The record for each vaccine dose must include the date and name of doctor or clinic. The statutes and rules governing school immunization requirements are: Arizona Administrative Code, R9-6-701–708

Childhood Illness

Certain signs and symptoms in children may suggest the presence of a communicable disease. Children with these symptoms should not be in the classroom. However, the child may return to school when he/she is no longer sick or contagious to others, and he/she feels able to join in classroom activities. If your child is not feeling well, keep them at home. Please do not medicate a student and then send them to school. This masks the illness and exposes other students and staff to the illness.

The following common symptoms are reasons to keep your child home.

- **FEVER:** An oral temperature of 100.4 F degrees or above. The child may return to school when he/she has been fever free for 24 hours without the use of a fever reducer such as Tylenol or Ibuprofen.
*If the fever is related to a COVID-19 infection a student must be fever free for 72 hours without the use of a fever reducer such as Tylenol or Ibuprofen.
- **BREATHING:** Difficulty breathing, audible wheezing, or hard coughing.
- **DIARRHEA:** Two or more watery, loose stools in the previous 24 hours.
- **VOMITING:** Children vomit for a lot of reasons, not all of them are indicators of illness. If your child should have two or more episodes of vomiting in the previous 24 hours, please keep him/her home.
- **EYES/NOSE DRAINAGE:** Mucus or pus draining from red eyes that may be swollen, or eyes and lashes that are matted and crusty. Thick, cloudy, yellow/green drainage from the nose needs to be evaluated by a healthcare provider and may need treatment with antibiotics for 24 hours before being allowed to return to class.
- **SORE THROAT:** Sore throat when fever or swollen glands are present.
- **RASH:** Undiagnosed rashes with fever. Other signs of illness may be infected sores with crusting or yellow/green drainage, which cannot be covered with clothing or bandages.
- **ITCHING:** Persistent itching or scratching of the body or scalp, or visible vermin; (e.g., head lice, scabies).

Please notify the school whenever your child is sick, and indicate the specific illness/symptoms. If you have taken your child to your health care provider and have a confirmed diagnosis; please notify the school health office directly with that diagnosis.

Health Office Staffing

Health offices are staffed by a Health Associate and supervised by a District Nurse, who is a licensed Registered Nurse. The Health Associate and District Nurse collaborate with parents, guardians, primary care providers and school staff to provide confidential and prompt first aid.

The District Nurse and Health Associate's role is that of a consultant for students, parents and educational staff. They are not a primary care provider and cannot make a medical diagnosis. Do not send ill students to school to be evaluated by the Health Office.

If you have any questions, consult your healthcare provider or contact your child's school health office. Visit our District Health Services page for more information:

<https://www.laveenschools.org/programs-services/health-services/>

LIBRARY

All students are expected to take care of library materials and to return them on time. Library privileges may be revoked temporarily or permanently if these rules are not observed. In the event of damage to library materials, students should notify the library staff immediately. Parents will be expected to pay for lost or damaged books or materials.

Parental Access to Library Books and Materials

Parents may access each school's library collection of available books and materials through the District's website, under District Curriculum. The "Library Book Search" allows parents to browse the online catalogs for each school. The online catalog search may be narrowed to search by title, author, or topic, as well as by material type; (e.g., books eBooks, videos).

Parents have access to view the list of books and materials their children have borrowed from the school library. Through the school's online catalog, there is an option to log in with the student credentials supplied by the school. The library items checked out can be found under "My Info".

"Upon request, parents may receive a list of books and materials borrowed from the library by their children.

LOST AND FOUND

All found items are sent to the Lost and Found box located in the Health Office. Items that are not claimed will be donated to a worthy cause at the end of each quarter.

MAKE-UP WORK

Students who are absent from school for any reason will be required to complete work missed in each class. Students will be given three days make-up time from the last day of an absence. It is the responsibility of the individual student to obtain make-up work from the teacher and to submit all completed make-up work within the number of days allowed.

The Laveen Elementary School District has an open-enrollment program as set forth in A.R.S. § 15-816 and outlined in District Policy JFB. Open enrollment requests are required for students who reside outside of the Laveen School District boundary.

Schools will accept open enrollment students throughout the school year as capacity allows, following the enrollment priorities described below.

Open enrollment enables Arizona students to attend public schools outside their attendance area. In accordance with state law, the District has established an open enrollment policy and implemented an open enrollment program without charging tuition for non-resident students. Open enrollment applications are available online. Acceptance is on a year-by-year basis and subject to re-application and review each year.

Once students are accepted and attending the school of choice, they must comply with school rules. These rules and regulations may include standards of academic effort, conduct, or attendance. Failure to comply with these rules and regulations may result in an open enrollment revocation.

Enrollment Priority

The District will give enrollment preference to and reserve capacity for all of the following:

- A. District resident students, including those issued certificates of educational convenience and those required to be admitted by statute.
- B. Students returning to the same school from the prior year.
- C. Siblings of students already enrolled.
- D. Students who are children of persons who are employed by or at a school in the School District.

If there is excess capacity remaining after the reserved capacity identified above, the District will give open enrollment priority to nonresident students in the following order:

- A. Students who are in foster care.
- B. Students who meet the definition of unaccompanied youth prescribed in the McKinney-Vento Homeless Assistance Act (P.L. 100-77; 101 Stat 482; 42 United States Code Section 11434a).
- C. Students who attend a school that is closing.
- D. Nonresident students not included in any of the above criteria.

PHOTO AND VIDEO USE

Your child may be photographed and/or videotaped in a school-related setting. These pictures and/or videos may be reproduced in the media and/or school-related publications such as, but not limited to, newsletters, brochures, school/district websites, and district-approved social media. No photographs or videos will be shared publicly without a signed release by the parent or guardian.

Surveillance cameras are in use throughout the school, the district office, and district buses to promote safety and security. Parents and guardians are not permitted to view footage that contains images of other students.

PROMOTION/RETENTION

- The Laveen Elementary School District is dedicated to the continuous development of each student.
- Promotion from grade to grade will be based upon standards for each basic subject area as identified in the course of study.
- The Laveen Elementary School District standards that students must achieve include accomplishment in the areas of reading, written communication, mathematics, science, and social studies, as adopted by the State Board of Education.
- In addition to these standards, test scores, grades, teacher-principal recommendations, and other pertinent data are used to determine promotion.
- Retention of students is a process that is followed when the professional staff, in consultation with the parent, determines it to be in the best interest of the student. Though primary grades are suggested as the most appropriate time, retention may be considered at any grade level.
- When circumstances indicate that retention is in the best interest of the student, the student will have individual consideration and decisions will be made only after careful study of facts relating to all phases of the student's growth and development. The student's academic achievement level and mental ability are important, but physical and social characteristics are also important factors. A decision should be based on sufficient data collected and documented over a period of time and motivated by a desire to place students in school programs where they will be the most successful.
- Special education students shall be on a case-by-case basis, consistent with the individualized education plan and in accordance with AAC R7-2-301 and R7-2-401. An ongoing intervention plan must be written and implemented as soon as a student is identified by a teacher as possibly not meeting the requirements for promotion.

Competency Requirements for Promotion of Students from Third Grade

The *Move on When Reading* legislation requires that a student shall not be promoted from the third grade if he/she obtains a score on the reading portion of the state assessment that demonstrates the student's reading skills fall far below the third grade level, unless the student qualifies for one of the following exemptions:

- The student is an English Language Learner who has received less than two years of English instruction.
- The student has a disability and the IEP team agrees promotion is appropriate or the student is in the process of being evaluated for an IEP.
- The student has been diagnosed with a significant reading impairment, including dyslexia.
- The student demonstrates sufficient reading skills or adequate progress toward sufficient reading skills through a collection of assessments approved by the State Board of Education.

Intervention and remedial strategies shall be provided to students who are not promoted from the third grade. For additional information, visit <http://www.azed.gov/mowr/>
A.R.S. § 15-701

Promotion from Eighth Grade

The State of Arizona does not provide or require eighth grade diplomas. Eighth grade students being promoted to ninth grade will be assisted with the registration process in the transition to high school, and student records will be sent as requested.

RIDESHARE TRANSPORTATION

The Laveen Elementary School District expects a parent, guardian, or trusted adult to pick up their child. Sending a Rideshare to pick up your child creates a risk that you assume. The District bears no responsibility for ensuring your child's safety if they are picked up via Rideshare (UBER, Lyft, Taxi, Etc.). The school must have a signed Rideshare Acknowledgment on file. This form is available in the school's front office.

SEARCH AND SEIZURES

School officials have the right to search and seize property, including school property temporarily assigned to students, when there is reason to believe that some material or matter detrimental to the health, safety, and welfare of the student(s) exists.

Items provided by the District for storage; (e.g., desks) are provided as a convenience to the student but remain the property of the school and are subject to its control and supervision. Students have no reasonable expectation of privacy, and desks, storage areas, etc. may be inspected at any time with or without reason, or with or without notice, by school personnel.

SPECIAL EDUCATION STUDENTS

The Laveen Elementary School District has procedures for identifying special education students. If you know of a child who might have disabilities that may hinder their learning and is not receiving services, please call the school office or Student Services at 602-237-9100. (See the flow chart included in this handbook.)

Child Find

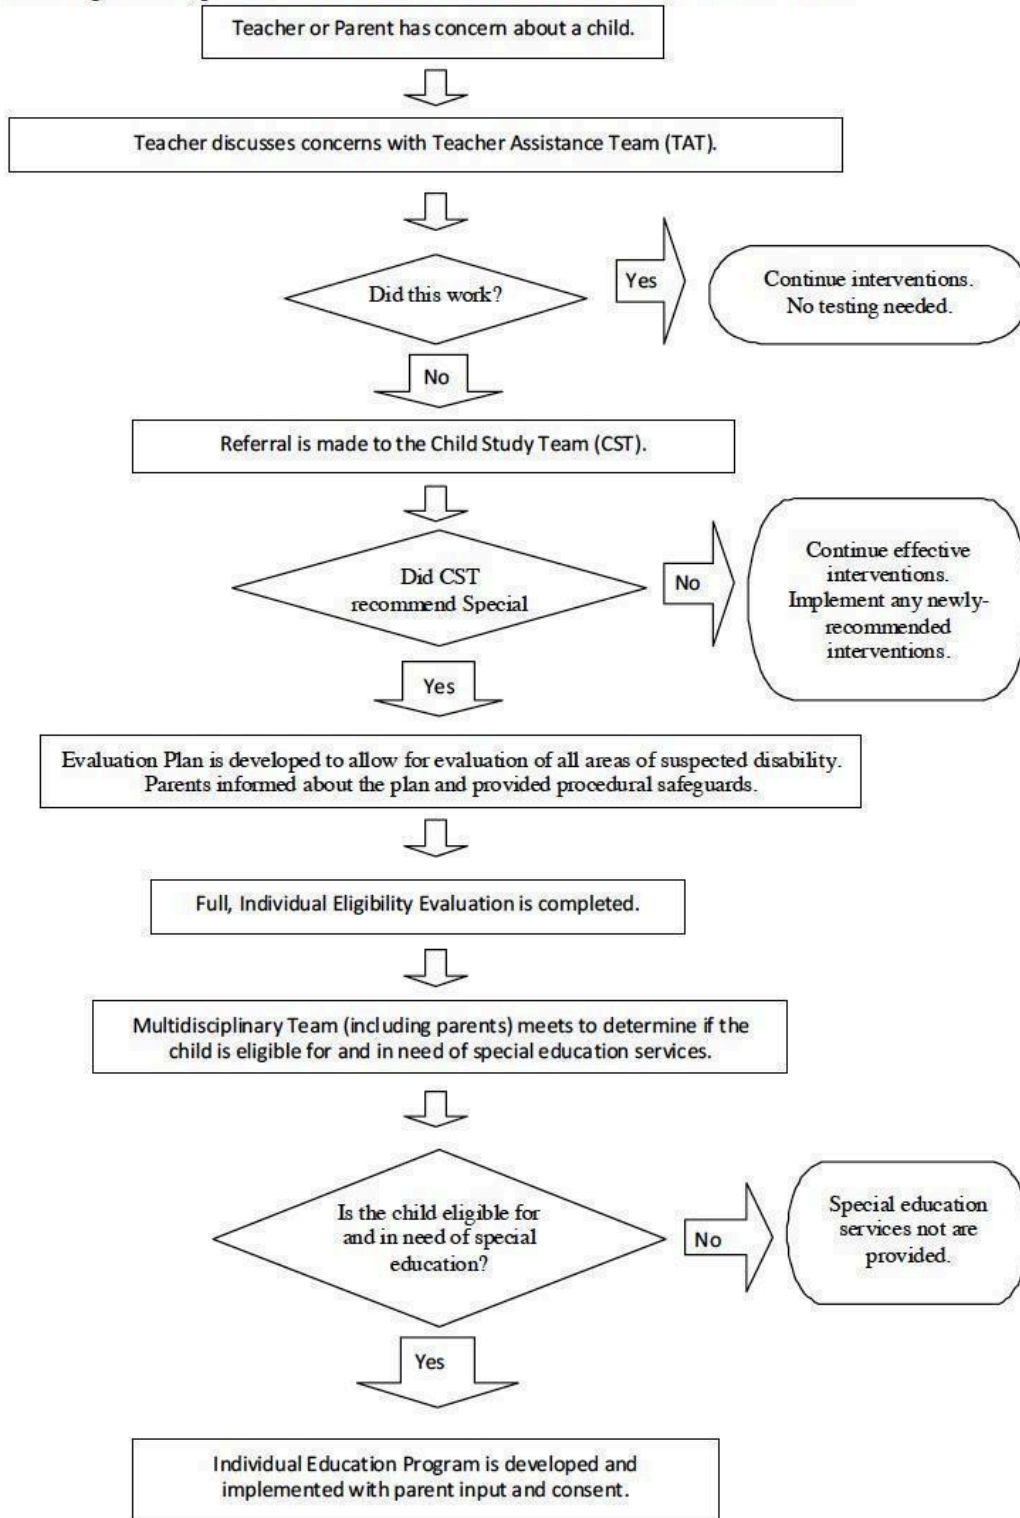

The intent of Child Find is that all children from birth through age 21 with delays or disabilities are identified, located, and evaluated to receive the support and services they need. Public schools and the Arizona Early Intervention Program are responsible for "finding" eligible

children and providing services needed for them to reach their development milestones or meet their educational needs.

Child Find procedures include identification (screening), referral, and evaluation procedures. The Child Find process includes: the 45 Day Screener, the Teacher Assistance Team, the Child Study Team (CST), and review of enrollment data and educational performance for transferring students.

For children who are suspected of having a disability, the CST will recommend that a full and individual evaluation will be conducted by a multidisciplinary evaluation team to determine eligibility and need for special education.

The following are the Laveen School District's procedures for identifying special education students.
If you know of a child who might have disabilities that may hinder their learning and is not receiving services, please call the school office or Student Services at 602-237-9100.

STUDENT VIOLENCE/HARASSMENT/INTIMIDATION/BULLYING

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Board further believes a school environment inclusive of these traits maximizes student achievement, fosters student personal growth, and helps students build a sense of community that promotes positive participation as members of society. Bullying, harassment or intimidation as defined by District Policy JICK will not be tolerated.

The principal will investigate all reports of bullying. If the principal determines that bullying has occurred, discipline will be administered pursuant to Board Policies.

See EXHIBIT JICK-EB in the back of this handbook for additional information, including definitions of bullying, harassment, and intimidation.

TAX CREDIT AND DONATIONS

Arizona allows taxpayers to dedicate dollars to education while reducing the amount you owe on your 2022 taxes through the tax credit program. For every dollar you donate, the amount you owe on your Arizona taxes will be that much less. If you do not owe taxes, the amount you donate may be carried forward for up to five years to offset future tax liabilities. For example, if a single person owes \$1,500 on their state taxes for 2021 and donates the maximum amount of \$200, they will then only owe the state \$1,300. Couples filing jointly may donate any amount up to \$400. Individuals may contribute up to \$200.

Tax credit donations can be made in person at the school or district office via cash or check.

Donations can be made via credit and debit card through the district website at:

Use of Technology Resources in Instruction

Student Acceptable Use Agreement – Electronic Information System

Laveen Elementary School District (LESD) students have the opportunity to use technology that facilitates creative problem solving, information fluency, and collaboration needed in today’s societies. As students are expected to apply these skills and extend their creative abilities, we also want them to be safe, legal, and responsible. This Acceptable Use Agreement (AUA) supports our vision of technology use and upholds in our students a strong sense of digital citizenship.

Technology Usage

- publish creative content
- seek knowledge and extend research
- explore data to create new content

Being a 21st Century Learner

Learning skills and 21st century tools are used together to enable students to effectively build content knowledge. Building knowledge will allow our students to function effectively in personal, community and workplace environments. Being a 21st Century Learner will require new skills and a responsibility for students to use information and technology in a safe, legal manner. Being a 21st Century Learner you agree to the following:

- **Respect Yourself.** I will select online names that are appropriate. I will consider the information and content that I post online.
- **Protect Yourself.** I will not publish my personal details, contact details or a schedule of my activities.
- **Respect Others.** I will not use technologies to bully or tease other people. I will not share or use another student’s password to log into the network or any software applications.

Sharing Policy

The Children's Online Privacy Protection Act (COPPA) is a federal law governing the online collection of personal information from children under 13. The rules spell out what a website operator must include in a privacy policy, when and how to seek verifiable consent from a parent and what responsibilities an operator has to protect children's privacy and safety online. The Laveen Elementary School District utilizes several educational software applications and web-based services that are operated by third parties. In order for students to use these valuable programs and services, certain personal information, generally the students name and username and/or email address, must be provided to the website operator. Under federal law, these websites must provide parental consent before collecting personal information from children under the age of 13. The law permits schools to consent to the collection of personal information on behalf of all of its students, eliminating the need for individual parental consent given directly to the website operator. A list of websites that may be used in District classrooms, with links to their privacy policies and terms of service is available on the Laveen School District website at laveeneld.org. By agreeing to this AUA, you agree to allow the Laveen Elementary School District to release your child's personal information for the purpose of accessing educational media and web-based services utilized by the District.

Collaborating and sharing creative content is an encouraged practice for all LESD students. Students will be participating in project-based learning and may create content such as electronic presentations, blogs, podcasts, videos, wikis, and other social media. The meaningful step in the process is sharing their content with other classes, and the school community and, at times the world. LESD uses district websites, Google Apps, and other moderated sites to share school and student work. These are district moderated sites, where students can collaborate online with teacher supervision.

Electronic Devices

As a LESD student, I may be provided an electronic device to be used only for educational related activities. Its use is conditioned upon the understanding and compliance with all LESD related policies, and all guidelines and procedures within this document.

1. The electronic device and related equipment is the property of Laveen Elementary School District.
2. Electronic devices and associated equipment, assigned to me, cannot be loaned to anyone. Additionally, I may not share my secure password for others to use.
3. I will not disassemble any part of the electronic device or attempt to make any repairs or upgrades. This will be handled by the LESD Technology Department.
4. No software is to be installed without the permission of the technology staff.

5. Disabling or finding ways around the LESD content filter is prohibited. I am responsible for sites accessed on the Internet at school and home. The Acceptable Use Agreement applies at all times during the use of a district provided electronic device.
6. I will not remove or alter any LESD identification labels attached to or displayed on the electronic device, nor shall I change identification within the electronic device, e.g. the electronic device name.

The Laveen Elementary School District recognizes the importance of communication and collaboration, and provides devices for students to be productive in the classroom. To keep the focus on academics and to reduce unnecessary distractions, personal mobile phones and/or devices must remain off or silent and completely out of view during the school day. If a student needs to make an emergency call during the day, they need to communicate with their assigned teacher. Use of personal cell phones or other electronic devices while on school grounds during the school day may result in confiscation of the phone until a parent/guardian can pick it up from the office.

Actions Required in the Event of Damage or Loss of School Owned Electronic Device

1. I must report theft (or suspected theft), loss, and damage to the electronic device, to school administration and/or teacher immediately.
2. If an electronic device is damaged by neglect or abuse, it is the student's financial responsibility to replace the device at LESD's cost.

General Care of Electronic Device

1. I agree to handle the electronic device carefully and protect it from potential sources of damage.
2. I am not allowed to alter the appearance of the electronic device in any way, including skins, stickers, etc.
3. I will not remove any serial numbers or identification placed on the Electronic device (if the LESD ID sticker becomes unreadable or comes off, please notify the site administration).
4. It is my responsibility to keep the electronic device clean. I will only clean the screen with a soft, anti-static cloth or with a screen cleaner designed specifically for LCD type screens only.

Communication with LESD Staff

Communication with staff will occur using district approved forms of communication and pertain to school related topics.

1. School related forms of communication include; district provided email, website, phone or district applications listed on the Laveen Authorized Educational Media document.

The administration will follow the student code of conduct and Laveen Elementary School District Board Policy to determine the appropriate action. I also understand that the school network, hardware, and software applications are owned by LESD and are not private. LESD has the right to access my information at any time.

Students are not permitted to use personal cell phones to call or text parents during the instructional day without permission from a staff member. The use of personal cell phones during the instructional day will result in disciplinary consequences. Cell phones or other electronic devices will be confiscated by staff members and brought to the office for parent pick-up. Students have options to turn their cell phones off and place them in their backpacks prior to arriving on campus or turning devices into the front office at the beginning of the instructional day. Students who have devices confiscated will receive 1 warning and then may receive additional disciplinary consequences.
